Hall of Fame Office for Great Americans

New York, N.Y.

Dear Friends:

I certainly wish to endorse the candidacy of Clara Barton to the Hall of Fame this year. She is one of the great women in our history as you know because of her great gifts & her great courage during years of our Civil War National tragedy. It is very fitting that this forerunner of many great women in our present day be so honored.

Respectfully yours,

Rev. Clifton B. Gordon
